*Per the ABHES Glossary, "State(s)" is defined as the 50 United States of America, including the District of Columbia and the U.S. Territories.

Notes: **Physically located** references the state where students indicate they are located at the time of application or enrollment and upon receipt of information from students that their location has changed.

CHANGE OF ADDRESS

At any time that a student's residence, mailing address and/or phone number changes, it is the responsibility of the student to inform Woodruff of the new address/telephone number. The efforts of the school depend upon accurate information. The student must obtain a Change of Address form from the Student Services Coordinator and submit the correct information. Woodruff will not be responsible for any information not received by the student if a change of address form has not been turned in.
